The Highest Possible Award
The Grand Prize STAR Tobacco

LEADING BRAND OF THE WORLD

The Only Chewing Tobacco That Ever Won An International Exposition Grand Prize

THE one supreme chewing tobacco at the San Francisco Exposition was STAR. So decided

the International Jury of Award, selected from all parts of the world.

As the result of that decision, STAR received The Grand Prize—the highest award that the International Jury could give.

The same "superior quality" that won the Grand Prize for STAR, had won for it the highest regard of chewers for half a century.

STAR'S extra quality of mellow chewing leaf, STAR'S absolute cleanliness of manufacture, STAR'S full "me pound to the plug" weight, and reasonable price, long ago made it the world's largest selling brand of plug chewing tobacco.
